## TEE-TIME CANCELLATION POLICY

---

Bucks Run Golf Club has a 48 hour cancellation policy for groups with 12 or less players. This means that if you need to cancel your tee time or reduce the number of players in your group, you must do so 48 hours or more in advance. Any cancellations or reductions made inside of 48 hours will result in a charge of the full value at the posted rate of the tee time. If you arrive for your tee time with less players than what you booked, you will be charged the difference. If we are able to re-sell the tee time, you will not be charged for your tee time.

For groups of 13 or more players that have booked through our Outing Coordinator, the Cancellation Policy will differ depending on the number of people in your group. If you do cancel your tee time, be sure to record the cancellation number and the name of the person you spoke with. This is for your records and will be used to verify your tee time was cancelled. You must have a cancellation number to verify the tee time was cancelled. If you do not receive a cancellation number, the tee time was not successfully canceled.
