Dear Mr. Sweet,

It is with great honor I am pleased to inform you Mr. Conklin was recently awarded by his peers the Merchandiser of the Year - Public Award for the Michigan Section of the PGA of America.

With over 800 Members and Apprentices, the Michigan Section is one of the largest and most respected Sections within the PGA of America. It is a true honor to be awarded such a prestigious award and Mr. Conklin will be passed on to the PGA of America National Awards Committee. This honorable achievement reflects the efforts given by Jon to your facility and members, his Community, Association and the great game of golf. We ask to make sure you share this great achievement with your owners and/or board of directors.
